

CYBER SERVICES PORTFOLIO

THE NIST CYBERSECURITY FRAMEWORK FORMS THE BASIS OF OUR APPROACH TO CYBER RISK:

-  Identify
-  Protect
-  Detect
-  Respond
-  Recover

A HOLISTIC APPROACH TO CYBER RISK

As a policyholder of The Hartford, your organization has access to cybersecurity best practices and resources, as well as employee training and education to help reduce your organization's risk while ensuring delivery of its critical services.

1 Identify Your Risks

BitSight Security Ratings

These ratings measure an organization's cybersecurity performance based on objective, verifiable information. BitSight is the most widely adopted security ratings platform in the world. Complimentary for all policyholders of The Hartford. [More»](#)

Consultation with a Data Privacy and Cybersecurity Attorney

Help your organization review and prioritize its privacy and cybersecurity strategy with help from select law firms. Complimentary for all policyholders of The Hartford. [More»](#)

Third-Party Vendor Contract Review

Privacy and cybersecurity legal experts will review your possible exposures from third-party vendors. Available from select law firms at a discounted rate. Your first review is free. [More»](#)

2 Protect Your Organization

KnowBe4 Security Awareness Training

A leader in security awareness, KnowBe4 will train your employees and provide phishing tests. As a policyholder of The Hartford, you qualify for a discount on these services. [More»](#)

The Hartford Cyber Center

Our digital cyber risk management portal provides sample policies, research tools, cyber and privacy industry publications, as well as the latest cyber intelligence – free to policyholders. [More»](#)

Cyber Advisories and Exclusive Webinars

As a policyholder of The Hartford, you'll receive periodic cyber advisories and exclusive cyber and privacy webinars by registering for The Hartford Cyber Center. [More»](#)

3 Detect Threats

24/7 Fully Managed Threat Detection with Arete and SentinelOne

Arete's Managed Detection and Response solution is a 24/7/365 fully managed and monitored service, leveraging SentinelOne's patented AI-Driven Singularity platform. Cyber experts can help reduce the attack surface, make you aware of software updates and dangerous vulnerabilities in real time, reduce malware risks and help identify security issues to improve overall enterprise security. [More»](#)

4 Respond

The Hartford's 24/7 Cyber Claims Hotline will guide you through the initial steps to take after a breach, and help you navigate through the incident response and recovery processes, whether or not your claim is compensable. After a breach or other incident, contact these resources immediately:

▶ **FirstResponse Hotline:**
800-370-0605

▶ **FirstResponse Email:**
FirstResponse@thehartford.com

The Hartford's CyberChoice First Responders

Consult an experienced panel of professionals with deep cyber and breach response expertise for help with the entire incident response process. [More»](#)

5 Recover from Cybersecurity Incidents

Cyber Extortion and Data Recovery Experts

Get help from third-party cyber extortion and data recovery specialists to return your business back to normal after a cyber incident. [More»](#)

GET EVEN MORE RISK PROTECTION FOR LESS

Third-party service providers discussed herein, though not affiliates of The Hartford, are pre-approved by The Hartford to provide cyber-related services. You are not required to avail yourself of their services. Sharing any information with any such vendor is at your sole discretion. References to any vendor are provided for your convenience only and are not intended as a substitute for your own due diligence and selection of vendors to suit your company's needs. The vendors are independent contractors that charge their own rates. Discounted rates offered by any vendor are not offered by The Hartford, nor on any premium for a policy of insurance. Any such vendor discount is subject to change without notice and is not guaranteed by The Hartford. The Hartford does not warrant the performance or services of the vendors or their websites. The Hartford assumes no responsibility for the control, correction or legal compliance of your cyber security measures or other business practices and operations. Notice of any claim, act, fact or circumstance to a vendor does not constitute notice thereof to The Hartford. Approved vendors are current as of January 2023 and may change at our discretion at any time, with or without notice.

The Hartford Financial Services Group, Inc., (NYSE: HIG) operates through its subsidiaries, including underwriting company Hartford Fire Insurance Company, under the brand name, The Hartford®, and is headquartered at One Hartford Plaza, Hartford, CT 06155. For additional details, please read The Hartford's legal notice at www.thehartford.com.
